"I Love Burnsville because . . ."

you can play here. I love to play at the Heart of the City. While there, I play in the water, meet new friends have picnics, and watch movies. I also love to play in parks, and I love exploring in the woods. Burnsville has beautiful wild life like deer, rabbits, squirels, birds, foxes and coyotes.

In Summer, I love to scooter and bike around the neighborhood and on trails at Terace Oaks Park. In winter, I like to Nordic ski and play hockey at terace Oaks. I love to play with friends and neighbors at ville Du parc. And I love to play and learn with friends at William Byrne School. I love to play sports like soccer and hockey. I play soccer in my back yard, and I play for Burnsville fire. I play hockey for the Burnsville hockey club U10B. I wouldn't want to live any where else.

Student Name Zoie Dundon

School William Byrne S[illegible]

Teacher Mrs. Hanson
