I Love Burnsville Because

I love Burnsville because of all the great citizens.
I like making new friends at the Fountain Park, Neill Heights Park and Acorn Park. And I love playing on the slide and swings but at the Fountain Park
I love climbing on the big rocks and splashing water at my big brother Joe.
I love all the great people and Burnsville parks.

I love Burnsville because of all the great restaurants.
I like Red Lobster I especially like the cheddar biscuits and I also like Olive Garden and the bread sticks (they are my brothers favorite food) and I love the Dakota County library because I always get lots of books. My favorite book series are Dear Dumb Diary, the Littels, Dork Diaries, and Rainbow Magic Pet Fairies. I love Burnsville's library and restaurants.

I love Burnsville because of all the sports you can do.
My brother and I both play Burnsville hockey. My best friend Arianna and I are going to be a first year u10 and my big brother Joe is going to be a second year bantam I also play Burnsville soccer. I'm sure my dad would have liked to see me play. My big brother Joe plays baseball, too. I also love playing outside and riding my bike and swimming in my underground pool in my back yard. I love Burnsville coaches and sports.
