

"I Love Burnsville because . . ."

they have great sporting events which BAC sponsors. Every year they have a firemaster that I attend to every year since I was 5. Our school Sioux Trail had had Wheels For Wellness which is where we all go on a 2 1/2 mile bike, roller blade, or scooter ride around Burnsville, cause we all know you have to stay healthy. When you want to stay healthy you have to eat right so that's why Burnsville has farmers markets. They have really fresh and delicious foods. I also love the lighting ceremony. My sister sang in it for 3 years I love seeing the lights light up ~~up~~. There cookies and cider are really good too. It keeps you warm in the winter. Speaking of winter Buck Hill it is so fun. Our school has went there a lot. My sister went on a field trip with my mom. They were having so much that they stayed while the rest of the kids went to school. that
