BURNSVILLE TO RECEIVE HOMETOWN MEDIA AWARD

The Alliance for Community Media (ACM) has announced the City of Burnsville/Burnsville Community Television will receive a Hometown Media Award for the video “We are the Burnsville Fire Department: Our Family Protecting Yours.”

The national Hometown Media Awards are held annually, and honor community media and local programs that air on local cable access channels. Awards are presented to one winner in each program category.

Winning Category: Government Profile

Programs that feature government departments or showcase government employees at work.

“We are the Burnsville Fire Department: Our Family Protecting Yours” is an informational video created by Burnsville Community Television to raise awareness of the City’s Fire Department. In addition to connecting the community with the Fire Department, this project connects the Burnsville Fire Department with potential candidates for employment.

The award will be presented at the National ACM conference in Pasadena, Calif. on Aug. 13, 2015.

The video can be viewed on the City’s YouTube channel (www.YouTube.com/cityofburnsvillemn) at <https://youtu.be/dBOBcVXWrw8>.
