COMPOST PUMPKINS AT EAGAN COMMUNITY CENTER NOV. 7

Free Pumpkin Drop-Off Courtesy of Dakota Valley Recycling

Has the idea of “proper disposal” ever left you spooked? Not to worry! Dakota Valley Recycling is making it easy to plan for Mr. Jack O. Lantern’s final resting place.

Residents of Eagan, Burnsville and Apple Valley can drop off their pumpkins during this free, one-day-only compost collection. Residents are invited to bring their own pumpkins or fill up a trunk from the whole neighborhood.

What: Fourth-Annual Pumpkin Composting Collection
When: Saturday, Nov. 7
9 a.m. – noon
Where: Eagan Community Center parking lot
1501 Central Parkway, Eagan, Minn.
Cost: FREE

Pumpkins brought to this drop-off event will be transported to a special organics facility such as *Full Circle Organics* or *Specialized Environmental Technologies*. Participants should watch for posted signage around the Community Center to guide them to the collection bin.

All candles and wax must be removed, and painted pumpkins cannot be accepted. Participants will also receive a free prize/decoration.

This event is coordinated by Dakota Valley Recycling, (cities of Apple Valley, Burnsville and Eagan). For more information contact Dakota Valley Recycling at 651-675-5011 (Eagan) or 952-895-4515 (Burnsville and Apple Valley) or visit www.DakotaValleyRecycling.org.
