ALIMAGNET DOG PARK CLOSED DEC. 9-11 FOR REPAIRS

Alimagnet Dog Park – Burnsville’s enclosed, 7-acre, off-leash pooch paradise – will be closed for three days in December so crews can complete a much-needed erosion control project along the park’s storm water pond. Work was originally scheduled to take place in October, but was postponed to later in the year.

The Dog Park will be closed Wednesday, Dec. 9 through Friday, Dec. 11. However, don’t let Fido, Brutus or Princess worry – the year-round park is expected to reopen (weather permitting) on Saturday, Dec. 12.

The shoreline project, which will include the addition of natural boulders to help reduce erosion, is being paid for by People of Alimagnet Caring for K9s (PACK).
