**SPRING ROAD WEIGHT RESTRICTIONS END APRIL 14**

Spring Road Weight Restrictions in Burnsville end at 12:01 a.m. Friday, April 14.

Through direction from the Minnesota Department of Transportation (MnDOT), the City of Burnsville establishes spring weight restrictions for commercial vehicles on City streets each year. These restrictions are put in place as part of a statewide effort to protect roadways during vulnerable spring months.

Friday marks the end of road weight restrictions in Minnesota's southeast, south and metro frost zones.

*Road Restriction maps indicating the locations of weight-restricted routes and those open to maximum 10 ton axle weights are available at [www.mndot.gov/loadlimits](http://www.mndot.gov/loadlimits) (Click on "Spring Load Restrictions"). More information is also available by calling MnDOT at 1-800-723-6543 and at [www.burnsville.org/roadweight](http://www.burnsville.org/roadweight).*
