TEN COMMUNITY GARDEN PLOTS STILL AVAILABLE AT NEILL PARK

Ten community garden plots are still available for use from May through late October (weather permitting) at the Neill Park Community Garden.

What: Community Garden Plots (10 Available)
Where: Neill Park | 13501 Upton Ave.
Cost: \$45/plot

Those interested in the remaining plots should contact Burnsville Recreation at 952-895-4510 ASAP. These plots are available on a first call, first serve basis.

The City of Burnsville has two community gardens (Neill Park and Wolk Park). Annual registration for plots is open Feb. 1 – March 1. If by March 1, the City receives more plot requests than plots available, names will be entered into a lottery drawing for all plots. If your name is drawn, and you were a previous-year plot holder, you will be assigned your same plot as the previous year.
