DONATION OPTIONS AVAILABLE TO BURNSVILLE RESIDENTS

For those who were unable to unload all of their unwanted items during Burnsville's recent Community-Wide Garage Sale, Dakota County has compiled a "ReUse in Dakota County" guide. The guide includes great information on how to shop for used items and donate household goods.

View the guide below or visit www.dakotacounty.us and search "Reuse."

The guide contains information such as different ways to donate and shop for used goods, online shopping and selling resources, items commonly accepted by thrift/reuse stores, and lists of reputable drop off locations and companies that will pick up used goods.

For more information on reuse and recycling in Burnsville visit www.DakotaValleyRecycling.org or call 952-895-4515.

(View Guide Below)
