TEMPORARY SIGNS IN COUNTY ROAD 42 CONSTRUCTION AREA SHOULD BE REMOVED BY JUNE 30

*City to Waive Enforcement of Temporary Signage Ordinance
in Area of Upcoming Highway 13 Construction*

With all lanes now open at County Road 42 (at I-35W), and single-lane closures expected to be wrapped up soon, the City is asking that all temporary signs in the area be removed by June 30.

The City of Burnsville had waived enforcement of its temporary signage ordinance for businesses impacted by construction in the area. Any temporary signs remaining the week of July 3 would be considered in violation of the ordinance.

Temporary Signage Enforcement to be Waived along Portions of Highway 13

Due to upcoming construction on Highway 13 in Burnsville from west of I-35W to Highway 101 in Savage, the City will ***waive enforcement of its temporary signage ordinance in select areas from July 10 – Aug. 14.***

See Map Below of Signage Ordinance Waiver Area

Expanded Signage

Beginning Monday, July 10, businesses along Highway 13 in Burnsville from West of I-35W to the Savage border will be allowed to expand their temporary signage on their property to help motorists know they are open during construction. The ordinance will be waived for this specified area throughout the entire construction period (anticipated to be complete by Aug. 14).

With the enforcement waiver, businesses will not be required to get a temporary signage permit; will not have a limit on signs on their property, and will be able to keep signs up through Aug. 14.

Additional information on this project is available online at www.mndot.gov/metro/projects/hwy13.
