Check Appropriate Box if Project is exempt for Lead Certification:

- The applicant is not a Minnesota licensed residential Contractor, residential remodeler or roofer.
- The building was constructed after 1978.
- The structure is not residential housing or a child occupied facility.
- The renovation will not disrupt 6 sq. ft or more of painted surface per room for interior activities, or 20 sq. ft or more of painted surface for exterior activities and does not involve windows.
- Other (Please explain) _____

I hereby certify that the above information is correct and agree to comply with Burnsville Ordinances and State of Minnesota laws regulating building Construction.

Any residence for which a building permit has been issued for exterior work shall be completed and ready for occupancy according to the approved plans and specifications within one year following issuance of said permit, unless within that time an extension is granted by the council. (Ord. 1230, 2-22-2011)
