Allowable Temporary Banners:

The following signs are allowed with a permit unless otherwise specified. These signs if placed in accordance with the following standards, will not apply toward the maximum allowable sign area, but shall comply with all other applicable provisions of this title:

- A permit is required and shall be valid for 90 days. A maximum of 2 permits are allowed per year. One permit is allowed per property or in the case of a multi-tenant property one permit per tenant.
- Temporary banner signs shall be securely attached to the building in such a manner that no portion of the sign will be allowed to blow around freely in the wind. Temporary banner signs shall not cover or block ingress or egress from any door, window or fire escape. Shall not be located in required yards.
- Temporary banner signs shall not be used in place of permanent signage.
- There shall be no additional sign lighting allowed in addition to that which has been approved for the building.
- Temporary banner wall signs shall comply with the performance standards of subsection 10-30-3(O) of this chapter.
- The size and location of these types of signs shall be determined as if the sign were a permanent wall sign as regulated in this chapter or no greater than three hundred (300) square feet, whichever is less.
- Special Event Banners that are subject to the requirements of Title 3, Chapter 32 are exempt from these requirements.

Temporary Freestanding Signs:

The following signs are allowed with a permit unless otherwise specified. These signs, if placed in accordance with the following standards, will not apply toward the maximum allowable sign area for permanent signs, but shall comply with all other applicable provisions of this title:

- A permit is required and shall be valid for 90 days. A permit may be renewed once every 90 days. One permit is allowed per property or in the case of a multi-tenant property one permit per tenant.
- One sign is allowed per street frontage with a maximum total square footage according to the chart below.
- The sign(s) shall be located on private property.
- Such signs shall be professionally designed and painted on all sides, including support posts. Freestanding signs shall be properly anchored into the ground using posts with minimum dimensions of four inches (4") square or three inches (3") in diameter.
- The sign shall be set back from the front property line no less than one foot (1') per one foot (1') of sign height.
- Special Event signs that are subject to the requirements of Title 3, Chapter 32 are exempt from these requirements.
