REMAINS DISCOVERED IN BURNSVILLE IDENTIFIED AS MISSING PERSON LORENZO PACHECO

The Hennepin County Medical Examiner has confirmed that the skeletal remains found in Murphy Hanrahan Park in Burnsville, Minn., on April 13 are those of Lorenzo Pacheco, a.k.a. Lorenzo Moreno-Pacheco, a.k.a Lorenzo Pacheco Orozco.

The Medical Examiner identified the remains using previous medical records, and found no evidence of criminal activity that may have contributed to the man's death.

Pacheco, 61, went missing on April 15, 2012. At that time, the Burnsville Police Department conducted an investigation into the disappearance, including multiple searches of Murphy Hanrahan Park. His remains were discovered by a man walking his dog in the park nearly a year later on April 13, 2013.

The investigation of the disappearance and death of Lorenzo Pacheco – which was conducted by the Burnsville Police Department, the Bureau of Criminal Apprehension and the Hennepin Medical Examiner – has been closed.
