International Festival Calls for Artists for Cultural Perspectives: *Color Our World*

The International Festival of Burnsville (IFB) is seeking artwork to display at the third annual "Cultural Perspectives" exhibition at the Burnsville Performing Arts Center (BPAC). This year's exhibit is titled ***Color Our World***, and will take place from June 13 through July 20, 2013. An Artist's reception is scheduled for Thursday, July 11 at 6:30 p.m.

This year, we call for artists to define or describe cultural traditions or values within our global community in their artwork, either symbolically or realistically. Artwork may conceptually, abstractly, or realistically visually demonstrate the artist's answers to these questions:

- What cultural distinctions are evident in the piece?
- Are you keeping your culture alive with this with this global depiction?
- What do you envision when you think of diverse cultures sharing our world?
- Does your work convey a personal memory or story?

To apply, artists should submit responses and photo(s) of titled artwork to margosvolunteers@gmail.com by Friday, May 31, 2013.

The show will feature two-dimensional art of any media, freestanding or pedestal mounted three-dimensional work, and textiles. Artwork will be selected based on relevance to this theme and artistic excellence. BPAC provides lighting for artistic works displayed in the gallery.
