League Registration Opens Feb. 1

Too cold to start thinking about golf? We don’t think so. Registration for Birnamwood Golf Course leagues opens on Feb. 1.

There is a league for everyone at Birnamwood – no matter age, gender or skill level. All leagues are on a first-come-first-serve basis. No preference is given to league participants from the prior year, which gives everyone a chance to join. Call the clubhouse at 952-641-1370 or visit www.birnamwoodgolfcourse.com to find out more information about the 2014 golf season.

Birnamwood is a par 27 golf course owned and operated by the City of Burnsville located at the corner of Burnsville Parkway and Parkwood Drive. The clubhouse offers annual passes, rental items, group outings, locker rentals, tournaments and a snack bar. Birnamwood has a water hazard that comes into play on two holes, bunkers on every hole and many native plant areas around the course. Birnamwood prides itself on being environmentally friendly and is fully certified as an Audubon Cooperative Sanctuary by Audubon International.
