**RESIDENTS ASKED TO KEEP GARBAGE/RECYCLING BINS BEHIND CURB
TO AID SNOWPLOWS**

Burnsville's Public Works Department would like to remind residents to keep garbage and recycling bins behind the curb – particularly during heavy snowfall.

Bins left too far out in the street interfere with snow removal, and can sometimes result in bins being tipped over or hit by snowplows. Snowplows also have difficulty plowing to the curb line when bins are left in the street.

Instead, residents are encouraged to clear a spot off of the street on the side of their driveways to place bins on hauling days.
