**BURNSVILLE BUSINESSES ON COUNTY ROAD 5, HIGHWAY 13  
OPEN DURING CONSTRUCTION**

The Minnesota Department of Transportation (MnDOT) and Dakota County have announced that work on the County Road 5 and Highway 13 interchange project is expected to resume on April 1. Highway 13 will be reduced to one lane in each direction during the 2014 construction season. County Road 5 will be closed at Highway 13 for most of this time period. Detours for County Road 5 will be posted.

Residents are reminded that businesses in the construction zone will be open during the project. When closures are in place, businesses can be accessed using the Cliff Road exit off of Interstate 35W.

The Burnsville City Council has also suspended the temporary sign restrictions for businesses along Highway 13 in the construction zone. This will allow these businesses to draw more attention during construction.

*For more information on the County Road 5/Highway 13 project visit [www.burnsville.org/roadwork](http://www.burnsville.org/roadwork). To receive email updates for this project, email Erin Borchert at [erin.borchert@co.dakota.mn.us](mailto:erin.borchert@co.dakota.mn.us). Please include "CP 05-41 Updates" in the subject line.*
