## **BURNSVILLE LIONS CLUB ROARS AGAIN WITH PLAYGROUND DONATION**

*\$70,000 Accepted by Burnsville City Council for Additions to Lions Playground*

Who says cats don't like water? During its April 22 meeting, the Burnsville City Council accepted a donation for \$70,000 from the Burnsville Lions Club to be used to add a "splash pad" play area to the Burnsville Lions Playground at Cliff Fen Park (120 E. Cliff Road).

In 2013, the club donated \$50,000 to add the finishing touches to the former Skyland Playground. The new Lions Playground opened to much fanfare on June 7. While details for the addition are still in the works, representatives from both the City and Lions Club are excited about the continuing partnership.

"Our club is committed to growing in the community as the service needs require," said Burnsville Lions Club Incoming President Steve Knudsen while presenting the donation at the April 22 meeting. "We are committed to continuing to grow our partnership with the City of Burnsville."

"We cannot thank the Burnsville Lions enough for their commitment to the City, and their continuing dedication to making our community the best that it can be," echoed Burnsville Mayor Elizabeth Kautz.

*Construction of the Lions Playground addition is anticipated to begin in the fall of this year. For more information on the Lions Playground visit [www.burnsville.org/lionsplayground](http://www.burnsville.org/lionsplayground).*
