1964-2014

**Burnsville: Then and Now**

***Heart of the City Beats Strong  
at Nicollet Avenue and Burnsville Parkway.***

*The area of Burnsville along Nicollet Avenue and Burnsville Parkway has long been a major thoroughfare. With great views of the Minneapolis skyline, the area was first developed in the 1960s, and was redeveloped into the "Heart of the City" in the 2000s.*
