DO YOU LIKE THE NEW LIONS PLAYGROUND? BURNSVILLE WANTS TO KNOW.

Burnsville's Lions Playground is the newest cat in town, with 87 play pieces that keep kids roaring with excitement. The playground, which was installed last fall in Cliff Fen Park (120 E. Cliff Road), is nearing its one year anniversary.

The Burnsville Parks & Natural Resources Commission (PNRC) has compiled a survey for park users to determine how often the park has been used in the past year, what features people enjoy, and what features they may wish to see in the future.

Park users can access the short, 10-question survey on the City's homepage at www.burnsville.org.

For more information on the park visit www.burnsville.org/lionsplayground.
