## **GET KIDS IN THE 'SWING' OF SUMMER WITH BIRNAMWOOD'S JUNIOR GOLF PROGRAM**

Birnamwood's junior golf program provides everything a young golfer needs to get started in the world of golf. The best part is - no experience is needed!

Open to youth entering grades three through 10, the program starts with an "Introduction to Golf Clinic." There, participants are taught the rules, safety and etiquette of the sport. They learn about golf swings, different clubs, water hazards and bunkers as they spend time at each of the nine holes on the course.

The program then turns to a hands-on, cooperative experience where children are grouped according to age, and hit the course for eight weeks. Participants can hone their skills while having fun golfing with other youth.

Volunteers and staff are also available to answer questions and provide feedback to the young golfers. The program rounds out with a tournament, where junior golfers have the chance to compete for prizes.
