As part of the preparations for the future Orange Line Bus Rapid Transit Station on Burnsville Parkway/I-35W, the Minnesota Department of Transportation (MnDOT) will be adding a High Occupancy Vehicle (HOV) Lane to the northbound I-35W entrance ramp from Burnsville Parkway.

Construction on the HOV lane, as well as additional pavement rehabilitation, will begin on Monday, April 8. As a result, the following ramps will be closed for approximately 60 days.

- Northbound I-35W Exit Ramp to Burnsville Parkway

Burnsville Parkway will remain open during construction, but the south sidewalk will be closed. MnDOT will be posting a detour for the closed ramps and sidewalks.
