## **SPRING ROAD WEIGHT RESTRICTIONS LIFTED MAY 7**

Spring Road Weight Restrictions in the metro frost zone (including Burnsville) were lifted on Tuesday, May 7.

Through direction from the Minnesota Department of Transportation (MnDOT), the City of Burnsville establishes spring weight restrictions for commercial vehicles on City streets each year. These restrictions are put in place as part of a statewide effort to protect roadways during vulnerable spring months.

Road weight restrictions in Minnesota's south and southeast frost zones will be lifted at 12:01 a.m. Friday, May 10, while restrictions in the central, north-central and north frost zones will be lifted at 12:01 a.m. Tuesday, May 14.

*Road Restriction maps and information are available at [www.mndot.gov/loadlimits](http://www.mndot.gov/loadlimits). More information is also available by calling MnDOT at 1-800-723-6543 and at [www.burnsvillemn.gov/roadweight](http://www.burnsvillemn.gov/roadweight).*
